PROFESSIONAL GRADE Synthetic Chamois

SUPERIOR VEHICLE BODY DRYING & WINDOW CLEANING

We are pleased to be offering you samples and information on our new
Professional Grade Synthetic Chamois.

We are proud to be the Exclusive North American Importer / Distributor of this fine European made Synthetic Chamois.

This 350 gsm cloth is a state of the art Drying / Detailing Chamois that is made out of Micro fibers, Non Woven Materials, and then coated in Poly Urethane. The result is a Chamois that glides effortlessly along the paint surface soaking up a ton of FIRST PASS WATER. Paint surface dries to a Streak-Free Shine. As a great bonus, this cloth will do an amazing job on glass and windows.

NOW, NO NEED FOR A SEPARATE WINDOW CLOTH!

You will find our prices very attractive.
We will ship product from our Canada Warehouse
as well as our New York State Logistic Facility.

We will offer the following sizes

- # **MP720**: Approx. (5 Sq Ft)
