

Via-Bond Nail Enhancement Systems (VBNES) is a division of Via-Chem. We are a Montreal based supplier of Adhesives and Nail Enhancement Products. For over 25 years we have been supplying the Nail Trade with our Professional Grade Adhesives (5 Second & Resins)

Over this period we have formed important relationships with Professional Nail Supply Distributors and Schools. VBNES started in September 2013 to offer our customer more!

Our Mission is supply small to medium sized Canadian Professional Nail Supply Distributors with House Brand Labelled (RV RENDEZ-VOUS), Unlabeled or Private Labelled top Performing Nail Enhancement Products and Accessories.

We work with some of the largest Chemical and Cosmetics Factories. We have product produced for us in large batches and re-package, fill and convert in Montreal.

We are not Marketing Company. That is up to you. We offer you top performing generic versions of National Brand Nail Care products. We also offer you a very easy to obtain **OWN BRAND PRIVATE LABEL OPTION**.
