

BLUE THREADLOCKER MEDIUM STRENGTH

For projects requiring a medium strength hold.
Can be removed with hand tools.

- An all-purpose, medium strength thread-locking anaerobic material that cures and locks between threaded connections. Resists leakage, shock and vibration. Ideal for all nut and bolt applications 1/2" to 3/4"
- Eliminates the need for lock nuts and lock washers
- Locks and seals while preventing parts from loosening due to shock and vibration
- Protects threads from corrosion
- Easy
- Conforms to MIL-S-46163A, ASTM D-5363, NSF
- Patented Dispenser
 - Drip-Proof, Clog-Proof Applicator, product won't clog or dry up with repeated use
 - Push the black button on tube cap to puncture seal, twist off cap and apply
 - Precise and controlled distribution of the threadlocker
 - Minimum clean up, tube pulls the threadlocker back into the tube when you release pressure
 - A Minimum of 12 months shelf life once product has been opened and used
- Use on all types of nuts, bolts and threaded connections on vehicles, power tools, bicycles, and more. *Not recommended for use on plastic threads, nuts or bolts.*
- Color: Blue
